Re: Consideration of Adopting the Fiscal Year 2017/2018 County Budget

As a result of sound fiscal leadership and the outstanding efforts of many throughout County government, Galveston County is a desired destination for residents, businesses and visitors. Galveston County is flourishing with opportunities because of a thriving petrochemical industry, workforce and economic development options, top-ranked universities and junior colleges, and a strong tourism industry. Galveston County is well positioned to meet community needs and our future challenges.

Our fundamental goal in developing this budget is to minimize the burden on County taxpayers by funding state and federally mandated programs and those discretionary services most beneficial to the community. The primary focus is the health, safety, and welfare of citizens and visitors to Galveston County.

Budget Highlights

- **For the seventh year in a row, the ad valorem tax rate has been reduced below the effective rate.** The proposed ad valorem tax rate has been reduced from the current tax rate of $0.5520 to $0.5519 for a $0.0001 reduction. Since Fiscal Year 2011 the tax rate has been reduced a total of $0.07685 per $100 of assessed value (based on 2011 tax rate of $0.62875). **This represents a 12.22% reduction over a seven year period.**

- The proposed ad valorem tax rate is $0.003520 below the 2017 Effective Tax Rate of $0.5554200 and $0.052236 below the 2017 Rollback Rate of $0.6041360 making this, by every definition, **a tax decrease for the taxpayers of Galveston County.**

- Property tax revenue is projected to be $148.06 million in Fiscal Year 2017 which would be approximately $9.80 million higher than the current fiscal year. This increase is attributable to new construction in Galveston County. While population growth and development creates new demand for county government services, prudent management has allowed us to achieve service efficiencies and limit the growth in service cost, which in turn enables real reductions in the tax rate.

- The number of full time equivalent positions for all funds has increased by a total of approximately 4.50 for Fiscal Year 2018. Some of these positions are necessary for efficient implementation of changes in state law and may not be continued beyond a one or two year period.

- **The trend toward a smaller, higher paid staff continues**, with significant merit and market based salary increases this year throughout the government organization, and staffing levels remaining well below population growth.

- **Galveston County continues to add significant funds to its self-insurance reserves.** Each year we are better positioned to manage a natural disaster event. We also continue to move toward developing a self-insurance fund balance that may eventually enable the County to phase out some third-party casualty insurance, which would have a further positive impact on future budgets.

- The operating budget in Galveston County continues to be effectively managed to avoid short-term borrowing to fund operations during the fiscal year.

- Galveston County continues to fund capital needs with operating revenues avoiding the cost of additional long-term borrowing. **The principal balance of Galveston County's long-term debt continues to decrease at a significant rate.**

- **Due to Hurricane Harvey there may be additional changes to the FY 2018 budget that have not been addressed.**

- The following is included in the Fiscal Year 2018 Budget:

  - ✓ Approximately $276,000 for merit increases and position upgrades for numerous individuals in various other departments.

  - ✓ A one-time supplement payment of $1,250 for all County employees will be issued in November 2017.

  - ✓ Continued county funding of the employee pension at the current rate of 200% of the employee's contribution.

  - ✓ A "Friend of the Court" position has been added.

  - ✓ Two Digital Support Analyst positions were added in the Sheriff's Department.

  - ✓ One Facilities Technician I position has been added in Facilities.

  - ✓ One Clerk position has been added in the Personal Bond Office.

  - ✓ Funding for a Senior Services program on Galveston Island

  - ✓ The on-going upgrade to county facilities to ensure full accessibility for people with disabilities.

  - ✓ Continued general fund support in the amount of $2.5 million for indigent healthcare. The Federal Poverty Level was raised from 55% to 100% by Commissioners Court in FY 2017.

- ✓ A total debt service budget of $31.22 million.
- ✓ $1.29 million for equipment and capital expenditures for information technology, law enforcement, beach and parks, and road and bridge.
- ✓ In addition to the expenditure budget, approximately $35,000,000 in budgeted reserves across all funds has been made available to fund unanticipated expenditures.

The County maintains an "AA+" rating from Fitch Ratings and an "Aaa" from Moody's Investors Services, Inc. on its general-obligation debt.

The accompanying reports and summaries provide detailed information related to the Fiscal Year 2018 Budget.

Development of the annual budget is a team effort relying on the knowledge and expertise of individuals on all levels of County government and valuable input from the public.

I would like to thank Commissioners Court and the many fine public servants who put forth their very best effort to serve the Galveston County taxpayers throughout this budget process.

This Budget is hereby presented for adoption for Fiscal Year 2018.

Respectfully Submitted,

David M. Delac

On this the 6th day of June, 2017, the Commissioners' Court of Galveston County, Texas convened in a Commissioners Court meeting with the following members thereof present:

Mark Henry, County Judge
Darrell A. Apffel, Commissioner, Precinct No. 1
Joe Giusti, Commissioner, Precinct No. 2
Stephen D. Holmes, Commissioner, Precinct No. 3
Kenneth Clark, Commissioner, Precinct No. 4; and
Dwight D. Sullivan, County Clerk

when the following proceedings, among others, were had, to-wit:

An Order Granting Various Residence Homestead Exemptions From the 2017 Tax Levy Pursuant to V.T.C.A., Tax Code §11.13 and §11.131.

Whereas, V.T.C.A., Tax Code §11.13 and §11.131 provides for the granting of various residence homestead exemptions. Through the years the Commissioners' Court of Galveston County has granted such exemptions; and

Whereas, the Court desires to continue to provide for such exemptions.

It is Therefore Ordered that the Commissioners' Court hereby exempts from its 2017 Tax Levy the first Sixty Thousand ($60,000.00) Dollars of the assessed value of residence homestead of persons, married or unmarried, including those living alone, who are under disability for purposes of payment of disability insurance benefits under Federal Old Age, Survivors and Disability Insurance or its successor, as provided in Article 8, §1-b (b), Constitution of the State of Texas.

It is Further Ordered that the Commissioners' Court hereby exempts from such ad valorem taxes the first Sixty Thousand ($60,000.00) Dollars of the assessed value of residence homestead of persons, married or unmarried, including those living alone who are sixty-five years of age or older, as provided in Article 8, §1-b(b), Constitution of the State of Texas.

It is Further Ordered that as provided in Article 8, §1-b(f) Constitution of the State of Texas and V.T.C.A., Tax Code §11.13(q), the surviving spouse of an individual who received an exemption under §1-b(b) for the residence homestead of a person sixty-five (65) years of age or older is entitled to an exemption for the same property in an amount equal to that of the exemption for which the deceased spouse qualified if the deceased spouse died in a year in which the deceased spouse qualified for the exemption, the surviving spouse was fifty-five (55) years of age or older when the deceased spouse died, and the property was the residence homestead of the surviving spouse when the deceased spouse died and remains the residence homestead of the surviving spouse. A person who receives an exemption under §1-b(b), Constitution of the State of Texas, is not entitled to an exemption under this paragraph. Also, an individual who receives and exemption

under V.T.C.A., Tax Code 11.13(d) is not entitled to an exemption under V.T.C.A., §11.13(q).

It is Further Ordered that as provided in Article 8, §1-b(b) Constitution of the State of Texas and V.T.C.A., Tax Code §11.13(h), an eligible disabled person who is sixty-five (65) years of age or older may not receive both the "disability" and the "over sixty-five" exemptions as immediately set forth above but may choose either the "disability" exemption or the "over sixty-five" exemption as his residence homestead exemption. Joint, community or successive owners may not each receive the same exemption for the same residence homestead in the same year. In addition, a person may not receive an exemption under V.T.C.A., Tax Code §11.13(h) for more than one residence homestead in the same year.

It is Further Ordered that as provided in V.T.C.A., Tax Code §11.13(l) a qualified residential structure does not lose its character as a residence homestead when the owner who qualifies for the exemption temporarily stops occupying it as a principal residence if the owner otherwise complies with the conditions set forth in this section.

It is Further Ordered that the surviving spouse of a disabled veteran who qualified for an exemption under the guidelines adopted in the preceding paragraph when the disabled veteran died is entitled to an exemption from taxation of the total appraised value of the same property to which to disabled veteran's exemption applied if:

(1) the surviving spouse has not remarried since the death of the disabled veteran; and
(2) the property:
    (a) was the residence homestead of the surviving spouse when the disabled veteran died; and

(b) remains the residence homestead of the surviving spouse.

It is Further Ordered that if a surviving spouse who qualifies for an exemption under the immediately preceding paragraph subsequently qualifies a different property as the surviving spouse's residence homestead, the surviving spouse is entitled to an exemption from taxation of the subsequently qualified homestead in an amount equal to the dollar amount of the exemption from taxation of the former homestead under the immediately preceding paragraph in the last year in which the surviving spouse received an exemption under that subsection for that homestead if the surviving spouse has not remarried since the death of the disabled veteran. The surviving spouse is entitled to receive from the chief appraiser of the appraisal district in which the former residence homestead was located a written certificate providing the information necessary to determine the amount of the exemption to which the surviving spouse is entitled on the subsequently qualified homestead.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the effective tax rate and rollback tax rate for the taxing unit. These tax rates are expressed in dollars per $100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. School districts do not use this form, but instead use Comptroller Form 50-859 Tax Rate Calculation Worksheet for School Districts. Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 Water District Rollback Tax Rate Worksheet. This worksheet is provided to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: Effective Tax Rate (No New Taxes)

The effective tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the effective tax rate should decrease.

The effective tax rate for a county is the sum of the effective tax rates calculated for each type of tax the county levies.

Effective Tax Rate Activity	Amount/Rate
1. 2016 total taxable value. Enter the amount of 2016 taxable value on the 2016 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-third over-appraisal corrections from these adjustments. This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (will deduct taxes in Line 14).[1]	$25,657,026,264
2. 2016 tax ceilings. Counties, cities and junior college districts. Enter 2016 total taxable value of homesteads with tax ceilings. Do not include value lost due to freeport or goods-in-transit exemptions.	
A. **Absolute exemptions.** Use 2016 market value:	$32,409,063

17. Total value of properties under protest or not included on certified appraisal roll.[12]	

A. **2017 taxable value of properties under protest.** The chief appraiser certifies a list of properties still under ARB protest. The list shows the appraisal district's value and the taxpayer's claimed value, if any, or an estimate of the value if the taxpayer wins. SECTION 2: Rollback Tax Rate

The rollback tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O):** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus eight percent. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt:** The debt tax rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The rollback tax rate for a county is the sum of the rollback tax rates calculated for each type of tax the county levies. In most cases the rollback tax rate exceeds the effective tax rate, but occasionally decreases in a taxing unit's debt service will cause the effective tax rate to be higher than the rollback tax rate.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the effective tax rate and rollback tax rate for the taxing unit. These tax rates are expressed in dollars per $100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. School districts do not use this form, but instead use Comptroller Form 50-859 Tax Rate Calculation Worksheet for School Districts. Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 Water District Rollback Tax Rate Worksheet. This worksheet is provided to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: Effective Tax Rate (No New Taxes) (Farm to Market/ Flood Control Fund)

The effective tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the effective tax rate should decrease.

The effective tax rate for a county is the sum of the effective tax rates calculated for each type of tax the county levies.

Effective Tax Rate Activity	Amount/Rate
1. 2016 total taxable value. Enter the amount of 2016 taxable value on the 2016 tax roll today. Do not include value lost due to freeport or goods-in-transit exemptions.	

A. **Absolute exemptions.** Use 2016 market value: B. **Partial exemptions.** 2017 exemption amount or 2017 percentage exemption times 2016 value: C. **Value loss.** Add A and B.[5]	$32,409,063 $226,765,659 $259,174,722

SECTION 2: Rollback Tax Rate (Farm to Market/Flood Control Fund)

The rollback tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O):** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus eight percent. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt:** The debt tax rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The rollback tax rate for a county is the sum of the rollback tax rates calculated for each type of tax the county levies. In most cases the rollback tax rate exceeds the effective tax rate, but occasionally decreases in a taxing unit's debt service will cause the effective tax rate to be higher than the rollback tax rate.
