

GALVESTON COUNTY VETERANS SERVICE - HURRICANE IKE DISASTER RECOVERY PROGRAM
NOW ACCEPTING APPLICATIONS

Dear Veteran, Surviving Spouse, or currently serving Military Member,

Galveston County Veterans Services has teamed up with the Hurricane Ike Disaster Recovery program and is rolling out a program for Galveston County Veterans. The program is aimed at assisting Veteran homeowners whose homes suffered damage from Hurricane Ike.

The affected property must be located within Galveston County, outside the city limits of the City of Galveston, and the home must have received damaged from Hurricane Ike. Applicants must be a Veteran, the surviving spouse of a Veteran, or currently serving Military member to be considered for disaster assistance. Please see the attached flyer for additional details.

The mission of the Galveston County Veterans Services-Hurricane Ike Disaster Recovery Program is one of service to our Texas Veterans, their surviving spouses, and currently serving military personnel. As part of our mission to serve you, we are offering assistance with inquiries regarding the requirements for completing the application process, application status, and securing the required documentation.

Please complete the attached Outreach form and return to us in person at our Intake Center located at the Galveston County Courthouse, 722 Moody Avenue (21st St), 6th floor, via fax at (409) 877-7613 or call and complete by phone at (877) 221-8215.

Additional information is available online at www.galvestoncountytexas.gov and at the Intake Center. For information call (877) 221-8215.

Sincerely,

Sincerely,

James (Jim) Gentile, Director
