***IRC Currently adopted by the Galveston County Seat (City of Galveston) _____

The structure to be built or altered at the above address shall be built to substantially conform to either the version of the International Residential Code published as of May 1, 2008 or the version of the International Residential Code that is currently adopted by the City of Galveston.

*****IN ADDITION TO INSPECTIONS DONE BY GALVESTON COUNTY BLDG DEPT*****

A minimum of three inspections will be performed, as applicable, to insure substantial building code compliance of the above mentioned structure. These inspections will be performed as applicable at the following stages of construction; foundation stage before concrete is placed, the framing and mechanical systems stage before any interior wall coverings are installed, and the completion of construction of the structure. The builder is responsible for contracting to perform the required inspections with (1) licensed engineer; (2) a registered architect; (3) a professional inspector licensed by the Texas Real Estate Commission; (4) a plumbing inspector employed by a municipality and licensed by the State Board of Plumbing Examiners; (5) a building inspector employed by a political subdivision; or (6) an individual certified as a residential combination inspector by the International Code Council. A builder may use the same inspector for all required inspections or a different inspector for each required inspection.

A statement on a Galveston County provided form shall be submitted to Galveston County Building Department, and the person for whom the new construction is being built for (if different from the builder) no more than 10 days after a final inspection has been completed on the above structure.
