NOTES/SPECIAL REQUESTS:

Facility Permitting Policy
Galveston County Department of Parks and Senior Services
(Rodeo event definitions are based on Professional Rodeo Cowboy Association specifications).

Bareback riding: a rodeo event in which the rider begins with his feet placed above the horse's shoulder. Bareback riding is an eight-second ride during which time the rider must grasp the leather and rawhide rigging with one hand only. He is not allowed to touch the animal, himself, or any of his equipment with his free hand during the ride.

Barrel racing: a timed event, either as part of a rodeo or separate, in which a contestant enters a rodeo at full speed on a sprinting American Quarter Horse and rides a cloverleaf pattern around three barrels in the arena before sprinting back out of the arena.

Bull riding: a rodeo event in which a rider, holding a rigging with only one hand, attempts to stay on a bucking bull for eight seconds. Judging includes good body position, including use of the free arm. Spurring action is not required, but will add to a rider's score. The rider is not allowed to touch the animal, himself, or any of his equipment during the ride.

Calf roping: An event, either as part of a rodeo or separate, in which a calf is given a head start into the arena, with horse and rider giving chase. The contestant ropes the calf, dismounts the horse, catches and flanks the calf, tying three of the calf's legs together with a pigging string he has carried in his teeth. The calf must be standing before the flanking and tying occur. Upon completing the tie, the rider throws his hands into the air, remounts his horse, and allows the rope to go slack. If the calf kicks free within six seconds, the run is invalidated.

Concert: An event at which live, amplified music is performed, whether by solo performers or musical groups, with acoustic, electrical, or recorded accompaniment, or no accompaniment, and whether sponsored by a commercial or non-profit organization or entity.

Cook-off: A judged event at which teams compete against one another to win awards and/or points for cooking specified food items.

Dog show: a competitive event during which dogs are judged on appearance, response to commands, and sometimes athletic prowess to win awards and points for other competitions.

Horse show: Any of several equestrian events that could include, but are not limited to Western pleasure, English riding, side-saddle shows or competitions, walking horse exhibitions, dressage, steeple chase, or other jumping events.

Rodeo: A performance featuring such events as calf roping, barrel racing, bull riding, steer roping, and other events.

Saddle bronco riding: a rodeo event in which the rider begins with his feet over the bronc's (bucking horse's) shoulders to give the horse an advantage. Spurring action synchronized with the bronc's bucking, the rider's control, the length of his spurring stroke, and how hard the horse bucks are all judged. The rider may not touch the horse, himself, or any of his equipment with his free hand during the ride. Disqualification also results if either of the rider's feet slips out of its stirrups, if he drops the bronc rein, or if he does not have his feet in the proper position at the beginning of the ride.

Steer roping: A rodeo event, in which the rider lassos a steer around its horns, tosses the slack rope over the steer's right hip and rides to the left, bringing the steer to the ground. When the steer is lying on its side and the rope is taut, the rider dismounts and ties any three of the steer's legs. The steer must remain tied for six seconds after the tie is complete.

Steer wrestling: Also known as bulldogging, this is a rodeo event in which the wrestler on horseback starts from behind a barrier, beginning chase after the steer has been given a head start. The bulldogger is assisted by a "hazer", who keeps the steer running in a straight line. When the bulldogger's horse pulls even with the steer, he eases down the right side of the horse, grasps the steer's horns, and digs his heels (the bulldogger's heels, not the steers) into the dirt. The bulldogger turns the steer, lifting up on its right horn and pushing down with his left hand to tip the steer over. He must either bring the steer to a stop or change the direction of its body before the throw or be disqualified. The clock stops when the steer is on its side with all four legs pointing the same direction.

Team roping: An event, either as part of a rodeo or separate, in which a rider (header) charges out of the box on horseback, chases down a fast-racing steer, and ropes him around the neck or executes a horn neck catch. The "header" turns the steer to the left and his teammate, the "heeler", attempts to rope the steer's hind legs. When the steer is secured, the riders face each other on horseback on opposite sides of the steer with no slack in the rope.

Dear Permit Holder,

Thank you for choosing Galveston County Parks for your function! In an effort to insure that your rental expectations and the County's requirements are met, we have assigned a Parks Worker to be on duty during your function.

The Parks Worker is responsible for the following matters relative to your function:

- Opening and closing of the facility
- Initial inspection of the facility
- Exchanging contact information with you in case any issues arise
- Notifying you of any issues that are discovered throughout the rental time
- Enforcement of all rental policies and procedures
- Restocking restroom supplies (no cleaning)
- Assisting you to find needed, available supplies in the building
- Setting up and troubleshooting issues with our podium and PA system (if applicable)
- Reminding you when one hour is left of your rental time
- Filling out incident/accident reports (if applicable)
- Final inspection walk through

As a Permit Holder, we need your understanding and assistance on several matters that are critical to the success of your rental. Please discuss this important information with your guests and vendors/contractors:

- Galveston County facilities are non-smoking. Designated smoking areas are located outside of the facility.
- All equipment, decorations, food, etc. must be taken with the permit holder at the end of the rental. Items left at the facility will be disposed of.
- Clean up of the facility must be complete by the end of your rental time. It is recommended that cleaning begin one hour before the end of your rental. Cleaning supplies are provided and cleaning is mandatory or your deposit will be retained.

Should any issues arise during your rental, please contact your Parks Worker as soon as possible for assistance. The Parks Worker will immediately contact a supervisor if they are not available to satisfy your questions or concerns.

If during the event, a permit holder or their guests damage the facility, the parks worker will notate the damage on a Facility Data Report (to be completed on the day of the rental). The permit holder will be contacted by Management regarding the damages and fees for restitution. The cost of damages will be taken out of the Permit Holder's deposit. If costs to repair the damages are more than the deposit on file, the Permit Holder will be responsible to make payment to Galveston County Parks for the remaining costs.

If facility is not cleaned upon permit holder leaving the facility, the deposit will be retained and the Parks Worker will be responsible for cleaning the facility to Galveston County Parks standards (spot mopping, trash, throwing out leftover food, general clean-up).

Thank you for your immediate attention regarding this communication!
