

2. **Validity and Enforceability.** If any current or future legal limitations affect the validity or enforceability of a provision of this Order, then the legal limitations are made a part of this Order and shall operate to amend this Order to the minimum extent necessary to bring this Order into conformity with the requirements of the limitations, and as so modified, this Order shall continue in full force and effect.
- H. **Headings.** The headings at the beginning of the various provisions of this Order have been included only in order to make it easier to locate the subject covered by each provision and are not to be used in construing this Order.
- I. **Receipt by Land Office.** Various provisions in this Plan refer to receipt by or of the General Land Office or Commissioner. Receipt by the General Land Office or Commissioner means the actual date of receipt by the General Land Office or the second business day after the date of deposit into a United States postal receptacle of the mailing, properly addressed to the General Land Office with proper postage affixed, whichever is earlier.

## **X. SIGNS INDICATING REGULATIONS**

- A. **Authorization to County Engineer and Road and Bridge.** As soon as reasonably possible after the passage of this Order, the County Engineer is authorized to design traffic regulation and speed limit signs indicating the regulations prescribed in this Order. The Road and Bridge Department is authorized to construct and install the traffic regulation and speed limit signs. Such signs must be in compliance with the current provisions of the Texas Manual on Traffic Control Devices for Streets and Highways, stating the applicable speed limits and motor vehicle traffic regulations or prohibitions.
- B. **Uniform bilingual beach access sign.** The GLO will, in conjunction with the State Department of Highways and Public Transportation, design and produce a uniform bilingual beach access sign to be used by Galveston County to designate access ways to and from public beaches.
- C. **Placement.** Upon the receipt of such signs, the Road and Bridge Department shall place sufficient signs at each public beach access point within the jurisdiction of Galveston County to insure adequate public notice of such access point.
- D. **Request for placement.** Galveston County may provide, at the request of littoral landowners, appropriate signing allowing for the protection of the ecological function of barrier island features. These signs include, but are not limited to, dune reconstruction areas.
