

**ANNOUNCEMENT: GALVESTON COUNTY DISTRICT  
ATTORNEY'S OFFICE CREATES "TRIALS TO WATCH"  
NOTIFICATIONS ON WEBSITE**

Galveston County Criminal District Attorney Jack Roady is pleased to announce a new addition to our office's website. Starting October 6, our site will now be updated with the latest information about ongoing trials in the Felony District Courts and Misdemeanor County Courts. You can now find updated trial information each week with the case name, court number and the offense charged.

One of our main goals with this website was to keep the citizens of Galveston County informed of the ongoing trials in their county. Our office worked closely with the Galveston County Information Technology Department to provide this update. Check back every week to see what's happening in your criminal justice system.
