FY 2017 Texas Parks & Wildlife  
Outdoor Recreation Grant Application

**Legal Notice for Commissioners' Court Hearing on 64 Acre Park**

Galveston County Commissioners' Court invites the public to comment on Texas Parks and Wildlife Department (TPWD) Outdoor Recreation Grant application to be submitted by Galveston County by October 1, 2016. The application will provide up to \$500,000 in park development matching funds from TPWD's Texas Recreation and Parks Account for use in 64 Acre Park in the San Leon/Bacliff area of the county.

The public may comment on the park project, the grant application and proposed development within or adjacent to wetlands, floodplains and floodways at a public hearing to be held on September 27, 2016 during the regular Commissioners' Court meeting beginning at 1:30 pm. Park and recreation development may include filling or excavation within wetlands, floodplains or floodways and construction of recreational facilities. Impact on the wetlands and floodplains or floodways is expected to be minimal.

Comments on development within wetland areas, floodplains or floodways may be received up to two years following the grant application.

Commissioners' Court will also vote on a Resolution approving the grant application and authoring other actions related to the grant application.
