May 2015

This letter is to inform you that hurricane season in this area is June 1 through November 1, 2015. As a Registered Sex Offender, you must adhere to registration requirements provided under Texas law. It is also important that you understand what to do in the event of a mandatory evacuation.

1. If you decide to evacuate, you must request a travel permit (if time allows) from this department. In the event you cannot get a travel permit, you must speak directly to your me, your Probation Officer, and:
  - give the exact location where you intend to stay;
  - provide information of family, friend, or hotel where you may seek shelter;
  - provide your current cell phone number and other numbers of people who will know how to contact you during the evacuation and relocation.
2. If you require evacuation assistance from a government agency, you must identify yourself as a Registered Sex Offender.
3. If you seek refuge at a hurricane shelter, you must identify yourself to staff and volunteers as a Registered Sex Offender.
4. If you are displaced for more than seven (7) days in a location other than the one where you are currently registered, you are required to contact and register with local law enforcement in the municipality or county of the new location.
5. Within seven (7) days following hurricane landfall, you must again contact me at my number below or one of the following numbers:
  - 409-766-2425
  - 409-770-5808

If you are unable to contact me by phone, you are instructed to report in person to the GCCSCD office in Texas City located at 2516 Texas Avenue.

Sincerely,

Community Supervision Officer
