Description of Narrative

(Narrative information must be included with Application)

Introduction to the Company. Applicant shall describe the company's business activities, locations, primary markets, history (when and where incorporated), headquarters location, parent or subsidiary company information to include a complete diagram showing names, ownership percentages, and which companies will be active and in what capacity on the project. Applicant shall also include the names of chief officers, and provide a copy of the annual report or financial statements.

Reasons for seeking abatement. Applicant shall state its reasons for seeking tax abatement and should include any special considerations. Applicant should state how the project will benefit the community where it will be located. If the Applicant is requesting any variances, it shall provide justification for the variance requested.

Describe the project. Applicant should provide facts about the proposed site (acreage, cost, location, ownership), and describe the type and value of proposed improvements. Applicant shall include a construction budget in line item format, and list fixed in place equipment to be included in the project. Applicant shall include a project timeline (running from start date through end date). Applicant shall provide environmental impact information and note any anticipated impacts of the project on the environment, including but not limited to, water quality, storm water and runoff, floodplain and wetlands, solid waste disposal, noise levels, and air quality. Applicant shall include its history of environmental compliance.

Jobs. Applicant must provide information on its current level of employment including current payroll and the breakdown of current employment by zip code. Applicant must provide a copy of the company's most recent filing with the Texas Workforce Commission or other supporting documentation that can be used to determine actual employment at time of application. Applicant must provide information on the projected job creation associated with the project, including: new employee needs (for example, skilled versus non-skilled, level of education, experience, etc.); its proposed pay scale; any training that the company will provide to its new employees; upward mobility opportunities, career tracks, etc., available to less educated and experienced workers; if this is a consolidation, then information on the number of new hires versus the number of transfers; and information on construction jobs to be created by the project.

Competition with local business. Applicant shall list any competition or similar businesses in the area and describe how abatement will impact competition with other similar businesses in the area.

Alternative site considerations. If applicable, Applicant shall provide information on alternative site considerations and/or incentives being offered to the company. Applicant shall state who the company has visited with outside of Galveston County concerning tax abatement in another county, state, or country, and provide copies of any letters of intent from the entities offering abatement/incentive(s).
