DECREASE OVER PREVIOUS TWO YEARS**

GALVESTON, TX – Criminal District Attorney Jack Roady announced today that a total of eight DWI arrests were processed through the No Refusal operations conducted county-wide during Memorial Day weekend. This is a decrease over the last two years.

This year, search warrants to obtain blood samples were issued by a District Court Judge in connection with seven arrests for DWI. Additionally, one person arrested for DWI consented to providing a sample. A total of eleven No Refusal DWI arrests were made during Memorial Day weekend in 2014, while thirteen arrests were made in 2013.

For the eight DWI cases processed through the No Refusal operations, blood samples were collected and will be submitted for analysis at the Department of Public Safety's Crime Lab. Law enforcement agencies from across the county participated in the program.
