**RE: Grants Office**  
**FY 2017 Texas Parks & Wildlife / Boating Access Grant Application**

**Legal Notice for Commissioners' Court Hearing  
Regarding Highway 3 Boat Ramp**

Galveston County Commissioners' Court invites the public to comment on Texas Parks and Wildlife Department (TPWD) Boating Access Grant application to be submitted by Galveston County by October 1, 2016. The application will provide up to \$500,000 in boat ramp development matching funds from TPWD's Texas Boating Access Fund Account for use at the Highway 3 Boat Ramp in the Dickinson area of the county.

The public may comment on the park project, the grant application and proposed development within or adjacent to wetlands, floodplains and floodways at a public hearing to be held on September 27, 2016 during the regular Commissioners' Court meeting beginning at 1:30 pm. Boat Ramp development may include filling or excavation within wetlands, floodplains or floodways and construction of recreational facilities. Impact on the wetlands and floodplains or floodways is expected to be minimal.

Comments on development within wetland areas, floodplains or floodways may be received up to two years following the grant application.

Commissioners' Court will also vote on a Resolution approving the grant application and authoring other actions related to the grant application.
