

Internet Explorer 10 Compatibility Mode

For users using IE10 and attempting to access court records, if the below error message is received-

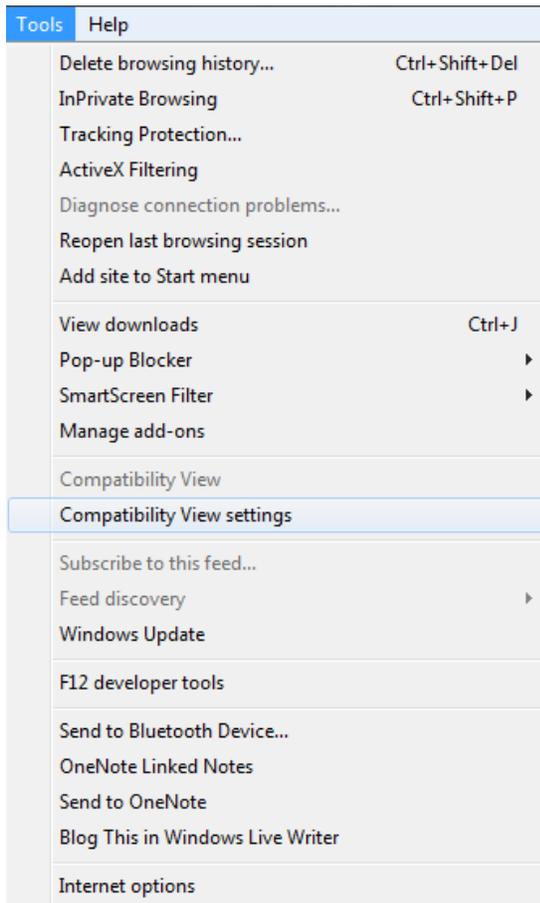

This page can't be displayed

- Make sure the web address <http://public1.co.galveston.tx.us> is correct.
- Look for the page with your search engine.
- Refresh the page in a few minutes.

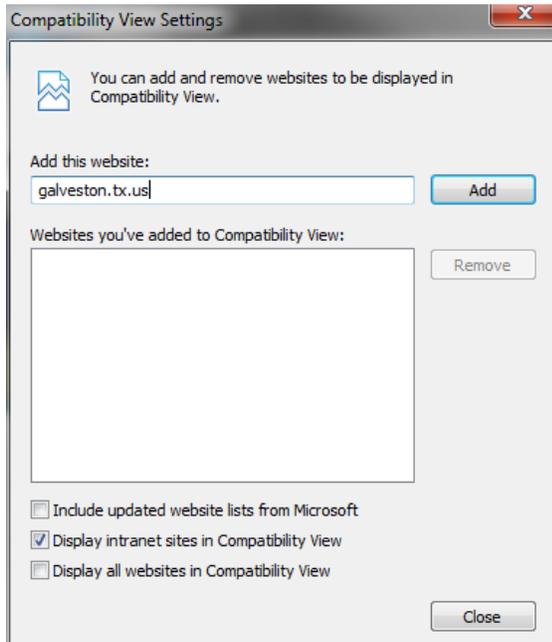

[Fix connection problems](#)

This is due to the compatibility mode settings in the browser. If this message is received, please do the following:

- 1) Press ALT once on the page that reads 'This page can't be displayed'.
- 2) Click Tools > Compatibility View Settings from the top menu bar (this should pop up after hitting the ALT key)

3. In the 'Add this website:' box add 'galveston.tx.us' using the 'Add' button

4. Click Close
5. Then Refresh the browser (F5)

Now you should see:
