722 MOODY RENOVATION FOR ADA COMPLIANCE
GALVESTON COUNTY, TEXAS

1. PROPOSAL PACKAGE
The request for proposal, general and special provisions, drawings, specifications/line item details, contract documents and the proposal sheet are all part of the proposal package. Proposals must be submitted in sets of six (6), one (1) original and five (5) copies on the forms provided by the County, including the proposal sheets completed in their entirety and signed by an authorized representative by original signature, if County forms are provided. Failure to complete and sign the proposal sheet/contract page(s) may disqualify the proposal from being considered by the Commissioners Court. Any individual signing on behalf of the proposer expressly affirms that he or she is duly authorized to tender this proposal and to sign the proposal sheet/contract under the terms and conditions in this proposal and to bind the proposer to the terms of this request for proposal and proposer's response thereto. Proposer further understands that the signing of the contract shall be of no effect unless subsequently awarded and the contract properly executed by the Commissioners' Court. All figures must be written in ink or typed. Figures written in pencil or with erasures are not acceptable. However, mistakes may be crossed out, corrections inserted, and initiald in ink by the individual signing the proposal. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Each proposer is required to thoroughly review this entire proposal packet to familiarize themselves with the proposal procedures, the plans and specifications for the requested work as well as the terms, and conditions of the contract the successful proposer will execute with the County.

2. PROPOSER'S RESPONSIBILITY
The Proposer must affirmatively demonstrate its responsibility. The Proposer must also meet the following minimum requirements:

A. have adequate financial resources or the ability to obtain such resources as required;
B. be able to comply with all federal, state, and local laws, rules, regulations, ordinances and orders regarding this Request for Proposal;
C. have a satisfactory record of performance;
D. have a satisfactory record of integrity and ethics;
E. and be otherwise qualified and eligible to receive an award.

3. TIME FOR RECEIVING PROPOSALS
Proposals may be submitted by mail or hand delivery and must be submitted to the Galveston County Purchasing Agent. If by delivery, the proposer must deliver to the reception desk in the County Purchasing Agent’s Office. The delivery and mailing instructions for the Galveston County Purchasing Agent are the following:

Rufus Crowder, CPPO CPPB,
Galveston County Purchasing Agent
722 Moody, Fifth (5th) Floor
Galveston, Texas 77550

Proposals will not be accepted by facsimile transmission or by electronic mail (email) unless superseded by instructions within the Special Provisions of this solicitation. Proposals must be received by the County
722 MOODY RENOVATION FOR ADA COMPLIANCE
GALVESTON COUNTY, TEXAS

Purchasing Agent on or before the deadline for the opening of the proposals. For clarity, mailing
date/postmark is not sufficient – proposals must be received by the County Purchasing Agent on or before
the deadline. Late proposals will not be accepted and will be returned to the proposer unopened. Proposals
received prior to the submission deadline will be maintained unopened until the specified time for opening.

The County Purchasing Agent will accept proposals from 8:00 a.m. to 5:00 p.m. on each business day up to
the submission deadline. Business days do not include Saturdays and Sundays, and do not include other
days in which the County is closed for business in observance of holidays or for other reason.

The time-stamp clock within the County Purchasing Agent’s Office shall be the official time-clock for the
purposes of this solicitation and thus shall be the determinant of whether the proposal was timely received.

The Proposer should prominently identify the procurement number and name on the outside of the
envelope/mailing package. A label shall be provided for this purpose and usage of the label is preferred.
If the proposer fails to identify the Proposal on the outside of the envelope as required, the Purchasing
Agent will open the envelope for the sole purpose of identifying the procurement number for which the
submission was made. The envelope will then be resealed. No liability will attach to a County office or
employee for the premature opening of a proposal.

If you do not submit a proposal, return this Request for Proposal and state reason, otherwise your name
may be removed from the Purchasing Agent’s mailing list.

4. COMPETITIVENESS, INTEGRITY, INQUIRIES AND QUESTIONS
To prevent biased evaluations and to preserve the competitiveness and integrity of the procurement,
proposers are to direct all communications regarding this request for proposal to the Galveston
County Purchasing Agent, unless otherwise specifically noted.

Do not contact the requesting department. Attempts by offering firms to circumvent this requirement
will be viewed negatively and may result in rejection of the bid/proposal of the firm found to be in non-
compliance.

All questions regarding this Request for Proposal must be submitted in writing to:

Rufus Crowder, CPPO CPPB, Purchasing Agent
722 Moody
Fifth (5th) Floor
Galveston, Texas 77550
Fax: (409) 621-7997
E-mail: rufus.crowder@co.galveston.tx.us

All questions received and the responses thereto will be mailed, emailed, or faxed to all prospective proposers.
No inquiries except clarification of instructions will be addressed by telephone.
Proposer is advised to carefully review this Request for Proposal - it provides specific information
necessary to aid participating firms in formulating a thorough response. Proposer’s failure to examine all
documents shall not entitle the proposer to any relief from the conditions imposed in the Request for
Proposal and the resultant contract.

2
722 MOODY RENOVATION FOR ADA COMPLIANCE
GALVESTON COUNTY, TEXAS

An authorized person from the proposer must sign the proposal. This signatory must be a person from the submitting firm who is duly authorized to tender and sign the proposal on behalf of the proposer and to bind the proposer to the terms and conditions of this request for proposal, the response, and all other terms and conditions of the contract. By this signature, the proposer further acknowledges that the proposer has read the proposal documents thoroughly before submitting a proposal and will fulfill the obligations in accordance to the terms, conditions, and specifications herein.

5. PROPOSAL OPENING
Only the names of proposers will be read at the opening. The Purchasing Agent will examine proposals promptly and thoroughly. No proposal may be withdrawn for a period of sixty (60) calendar days of the proposal opening date.

6. COMMISSIONERS’ COURT
No contract is binding on the County until it is properly placed on the Commissioners’ Court agenda, approved in open Court, authorized to be executed by the County Judge, and fully executed by both parties.

Department heads and elected officials are not authorized to enter into any type of agreement or contract on behalf of the County. Only the Commissioners’ Court acting as a body may enter into a contract on behalf of and contractually bind the County. Additionally, department heads and elected officials are not authorized to agree to any type of supplemental agreements or contracts for goods or services. Supplemental agreements are subject to review by the County Legal Department prior to being accepted and signed by the County’s authorized representative.

7. REJECTION OF PROPOSALS/DISQUALIFICATION
Galveston County, acting through its Commissioners’ Court, reserves the right to: 1.) reject any and all proposals in whole or in part received by reason of this request for proposal, 2.) waive any informality in the proposals received, 3.) disregard the proposal of any proposer determined to be not responsible, and/or 4.) discontinue its efforts for any reason under this proposal package at any time prior to actual execution of contract by the County.

Proposers may be disqualified and rejection of proposals may be recommended to the Commissioners’ Court for any of (but not limited to) the following causes:

a. Failure to use the proposal forms furnished by the County, if applicable;
b. Lack of signature by an authorized representative of proposer;
c. Failure to properly complete the proposal;
d. Failure to meet the mandatory requirements of this request for proposal; and/or
e. Evidence of collusion among proposers.

8. RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS
It is the responsibility of the prospective proposer to review the entire invitation to proposal (request for proposal) packet and to notify the Purchasing Department if the specifications are formulated in a manner
that would restrict competition or appear ambiguous. Any protest or question(s) regarding the specifications or proposal procedures must be received in the Purchasing Agent’s Office not less than seventy-two (72) hours prior to the time set for proposal opening. Vendors are to submit proposal as specified herein or propose an approved equal.

9. SUBSTITUTES/DESCRIPTION OF MATERIALS AND EQUIPMENT
Any brand name or manufacturer reference used herein is intended to be descriptive and not restrictive, unless otherwise noted, and is used to indicate the type and quality of material. The term “or equal” if used, identifies commercially produced items that have the essential performance and salient characteristics of the brand name stated in the item description. All supplies, material, or equipment shall be new and of the most suitable grade for the purpose intended. It is not the County’s intent to discriminate against any materials or equipment of equal merit to those specified. However, if Proposer desires to use any substitutions, prior written approval must be obtained from the County Purchasing Agent and sufficiently in advance to the submission deadline such that an addendum may be issued. All material supplied must be one hundred percent (100%) asbestos free. Bidder/Proposer, by submission of its bid/proposal, certifies that if awarded any portion of this procurement, the bidder/proposer will supply only material and equipment that is 100% asbestos free.

10. EXCEPTIONS TO PROPOSAL
The proposer will list on a separate sheet of paper any exceptions to the conditions of this request for proposal. This sheet will be labeled, “Exceptions to Proposal Conditions”, and will be attached to the proposal. If no exceptions are stated, it will be understood that all general and specific conditions will be complied with, without exception.

The Proposer must specify in its proposal any alternatives it wishes to propose for consideration by the County. Each alternative should be sufficiently described and labeled within the proposal and should indicate its possible or actual advantage to the program being offered.

The County reserves the right to offer these alternatives to other proposers.

11. PRICING
Proposals will be either lump sum or unit prices as shown on the proposal sheet. The net price will be delivered to Galveston County, including all freight or shipping charges.

Cash discount must be shown on proposal, otherwise prices will be considered net. Unless prices and all information requested are complete, proposal may be disregarded and given no consideration.

In case of default by the contractor, the County of Galveston may procure the articles or services from other sources and may deduct from any monies due, or that may thereafter become due to the contractor, the difference between the price named in the contract of purchase order and the actual cost thereof to the County of Galveston. Prices paid by the County of Galveston shall be considered the prevailing market price at the time such purchase is made. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the Purchasing Agent and the Commissioners’ Court.
12. PROCUREMENT CARD (P-Card) PROGRAM
The County of Galveston participates in a Procurement Card (P-Card) program that allows payments made to a vendor by credit card. This method normally results in substantially faster bill payments, sometimes within three (3) to five (5) days of the actual transaction date. If your company will accept payment via credit card (Visa, MasterCard), please note this in your proposal submittal.

13. PASS THROUGH COST ADJUSTMENTS
Except in instances of extreme extenuating circumstances Vendor prices shall remain firm throughout the Contract period and any renewals. Examples of extreme extenuating circumstances include such situations as a nationwide rail strike, oil shortage or oil embargo.

In extreme extenuating circumstances Vendors may be allowed to temporarily “pass through” additional costs they are forced to incur through no fault of their own. A request for a pass through cost increase will not be considered unless a Vendor’s cost for his product exceeds 10% over the original cost for the product. Also, the increase in cost must be nationwide and consistent for a minimum period of sixty (60) days. Costs that historically are anticipated to rise over a period of time (for example only, such as wages or insurance costs) do not qualify for pass through. If a Vendor thinks he will be asking for a pass through cost adjustment during the term of the contract, then the original cost of the product to Vendor must be stated in Vendor’s original proposal.

A request for a pass through cost does not guarantee that one will be granted. Vendors must submit such information on each request as is required by the County Purchasing Agent. The County Purchasing Agent will review each request on a case by case basis and determine the appropriateness of each request as well as amount and duration of increase. Vendors will not be permitted any additional compensation for mark-ups or profits based on the increase in price. Rather, such additional compensation will be limited to the actual increase in original cost to the Vendor as such increase is reflected by the original cost stated in the proposal. But in no event will the amount of additional compensation exceed 25% increase in Vendor’s original cost for his product as such cost is reflected in Vendor’s original proposal or the duration exceed a period of sixty (60) days. In addition, should, during the period of the pass through, cost return to normal or decrease to below pre pass through prices, appropriate downward adjustments will be made. No more than one pass through adjustment will be permitted per year.

14. MODIFICATION OF PROPOSALS
A proposer may modify a proposal by letter at any time prior to the submission deadline for receipt of proposals. Modification requests must be received by the County Purchasing Agent prior to the submission deadline. Modifications made before opening time must be initialed by proposer guaranteeing authenticity. Proposals may not be amended or altered after the official opening with the single exception that any product literature and/or supporting data required by the actual specifications, if any, will be accepted at any time prior to the Commissioners’ Court considering of same.

15. SIGNATURE OF PROPOSALS
Each proposal shall give the complete mailing address of the Proposer and shall be signed by an authorized representative by original signature with the authorized representative’s name and legal title typed below the signature line. Each proposal shall include the Proposer’s Federal Employer Identification Number
722 MOODY RENOVATION FOR ADA COMPLIANCE
GALVESTON COUNTY, TEXAS

(FEIN). Failure to sign the contract page(s) and proposal response sheets may disqualify the proposal from being considered by the County. The person signing on behalf of the Proposer expressly affirms that the person is duly authorized to tender the proposal and to sign the proposal sheets and contract under the terms and conditions of this RFP and to bind the Proposer thereto and further understands that the signing of the contract shall be of no effect until it is properly placed on the Commissioners’ Court agenda, approved in open Court, authorized to be executed by the County Judge, and fully executed by both parties.

16. AWARD OF PROPOSALS – EVALUATION CRITERIA AND FACTORS
The award will be made to the responsible proposer whose proposal is determined to be the lowest and best evaluated offer demonstrating the best ability to fulfill the requirements set forth in this Request for Proposal. The proposed cost to the County will be considered firm and cannot be altered after the submission deadline, unless the County invokes its right to request a best and final offer.

“Lowest and best” means a proposal or offer providing the best value considering associated direct and indirect costs, including transport, maintenance, reliability, life cycle, warranties, and customer service after a sale.

Each proposer, by submitting a proposal, agrees that if their proposal is accepted by the Commissioners’ Court, such proposer will furnish all items and services upon which prices have been tendered and upon the terms and conditions in this proposal and contract.

The contractor shall commence work only after the transmittal of a fully executed contract and after receiving written notification to proceed from the County Purchasing Agent. The contractor will perform all services indicated in the proposal in compliance with this contract.

Neither department heads nor elected officials are authorized to sign any binding contracts or agreements prior to being properly placed on the Commissioners’ Court agenda and approved in open court. Department heads and other elected officials are not authorized to enter into any type of agreement or contract on behalf of Galveston County. Only the Commissioners’ Court, acting as a body, may enter into a contract on behalf of the County. Additionally, department heads and other elected officials are not authorized to agree to any type of supplemental agreements or contracts for goods or services. Supplemental agreements are subject to review by the County Legal Department prior to being signed by the County’s authorized representatives.

The County of Galveston reserves the right to accept proposals on individual items listed, or group items, or on the proposal as a whole; to reject any and all proposals; to waive any informality in the proposals; and to accept the proposal that appears to be in the best interest of the County. The selection process may, however, include a request for additional information or an oral presentation to support the written proposal.

In determining and evaluating the best proposal, the pricing may not necessarily be controlling, but quality, equality, efficiency, utility, general terms, delivery, suitability of the service offered, and the reputation of the service in general use will also be considered with any other relevant items. The Commissioners’ Court shall be the sole judge in the determination of these matters.

The County reserves the right to reject any or all proposals in whole or in part received by reason of this
RFP and may discontinue its efforts under this RFP for any reason or no reason or solely for the County’s convenience at any time prior to actual execution of the contract by the County.

A Proposer whose proposal does not meet the mandatory requirements set forth in this RFP will be considered noncompliant.

The invitation to submit a proposal which appears in the newspaper, or other authorized advertising mediums, these general provisions, the special provisions which follow, any other specifications which follow, the proposal sheets, and any addenda issued are all considered part of the proposal.

Each proposer, by submitting a proposal, agrees that if its proposal is accepted by the Commissioners’ Court, such proposer will furnish all items and services upon the terms and conditions in this RFP and the resultant contract.

Notice of contract award will be made within ninety (90) days of opening of proposals to the lowest responsive and responsible proposer, whose proposal complies with all the requirements in the Request for Proposal.

Contractor shall submit to the County, for approval, within ten (10) days from notice of contract award, all Certificates of Insurance evidencing the required coverage as described under Section 36, Requirement of and Proof of Insurance.

The contractor shall not commence work under these terms and conditions of the contract until all applicable Certificates of Insurance, Performance and Payment Bonds, and Irrevocable Letter of Credit (if required), have been approved by the County of Galveston and the Contractor has received notice to proceed in writing and an executed copy of the contract from the County Purchasing Agent.

17. DISPUTE AFTER AWARD/PROTEST
Any actual or prospective Proposer who is allegedly aggrieved in connection with the solicitation of this RFP or award of a contract resulting therefrom may protest. The protest will be submitted in writing to the Purchasing Agent within seven (7) calendar days after such aggrieved person knows of or should have known of the facts giving rise thereto. If the protest is not resolved by mutual agreement, the Purchasing Agent will promptly issue a decision in writing to the protestant. If the protestant wishes to appeal the decision rendered by the Purchasing Agent, such appeal must be made to the Commissioners’ Court through the Purchasing Agent. The decision of the Commissioners’ Court will be final. The Commissioners’ Court need not consider protests unless this procedure is followed.

18. PUBLIC INFORMATION ACT (f/k/a Open Records Act)
The proposer acknowledges that the County is a governmental body for purposes of the Public Information Act, codified as Chapter 552 of the Texas Government Code, and as such is required to release information in accordance with the provisions of the Public Information Act.

If Proposer considers any of its submitted information to be proprietary in nature, trade secret, or otherwise confidential, then it must clearly and conspicuously mark such information as proprietary, trade, secret, or confidential. By the submission of its proposal, the Proposer expressly affirms that it
722 MOODY RENOVATION FOR ADA COMPLIANCE
GALVESTON COUNTY, TEXAS

has clearly and conspicuously marked any information within its submission that it considers to be confidential, proprietary, and/or trade secret.

In the event the County receives a request for information under the Public Information Act seeking information that the Proposer has marked as confidential, proprietary, and/or trade secret, then the County agrees that it shall provide notice to the Proposer of the request in accordance with the provisions of the Public Information Act. These provisions require the County to initiate the request for decision process under the Public Information Act – thus, the County will submit initial correspondence to the Texas Attorney General. Proposer is deemed to have knowledge of the Public Information Act. By the submission of its proposal, proposer expressly acknowledges that the burden to withhold its’ information from public disclosure lays with the proposer; thus, proposer further acknowledges and agrees that it shall submit comments to the Texas Attorney General in the request for decision process if proposer wishes to have its information withheld from public disclosure.

19. PROPOSER'S EMAIL ADDRESSES
Notwithstanding the foregoing Section 18, proposer acknowledges and agrees that the confidentiality of any and all email addresses it uses or discloses in communicating with the County are open to the public in accordance with Section 552.137 of the Government Code and consents to the release of its email addresses.

20. RESULTANT CONTRACT
Proposer shall correctly and fully execute the resultant contract first – after this, the contract shall be set for consideration by the Commissioners’ Court. If the Commissioners’ Court authorizes the execution of the contract, then the resultant contract shall become effective upon the Commissioners’ Court execution of same. Contract documents shall consist of the contract, the general and special provisions, the drawings, proposal package (including best and final offer(s) if such is utilized), any addenda issued, and any change orders issued during the work. If applicable to the attached bid/proposal, bidder/proposer must sign three (3) original contracts and return with their bid/proposal submittal.

Proposer should submit a proposed contract with its proposal or its sample material terms and conditions.

The criteria utilized for determining responsibility of proposer(s) includes, but is not limited to, the proposer’s experience, skill, ability, business judgment, financial capacity, integrity, honesty, possession of the necessary facilities or equipment, previous performance, reputation, promptness, and any other factor deemed relevant by the County. The proposers shall furnish any information requested by the County in order for the County to determine whether a proposer is responsible.

21. CONTRACT TERM
The term of the resultant contract will begin on the date of full execution or the execution by the Commissioners’ Court, whichever is later, and will terminate on the date specified in the resultant contract unless terminated earlier as herein set forth.
22. TERMINATION FOR DEFAULT
Failure of either party in the performance of any of the provisions of this contract shall constitute a breach of contract, in which case either party may require corrective action within ten (10) business days from date of receipt of written notice citing the exact nature of such breach. Failure of the party being notified to take corrective action within the prescribed ten (10) business days, or failure to provide a written reply of why no breach has occurred, shall constitute a Default of Contract.

All notices relating to default by Proposer of the provisions of the contract shall be issued by County by its Legal Department, and all replies shall be made in writing to the County Legal Department. Notices issued by or issued to anyone other than the County Legal Department shall be null and void and shall be considered as not having been issued or received.

Galveston County reserves the right to enforce the performance of this contract in any manner prescribed by law in the event of breach or default of this contract, and may contract with another party, with or without solicitation of bids or proposals or further negotiations. At a minimum, Proposer shall be required to pay any difference in service or materials, should it become necessary to contract with another source, plus reasonable administrative costs and attorney fees.

full execution of the contract or, if applicable, as required under Chapter 2253, Government Code, whichever is earlier. Contractor's failure to provide the required payment and performance bonds within such time period shall constitute an event of default under this contract. Proposer also agrees that if Proposer is awarded this contract, that no work performed hereunder shall be subject to patent, copyright, or other intellectual property by Proposer.

40. CONFLICT OF INTEREST DISCLOSURE REPORTING – FORM CIQ
Proposer may be required under Chapter 176 of the Texas Local Government Code to complete and file a conflict of interest questionnaire (CIQ Form). The CIQ Form pertains to business relationship, gift giving, and family relationship reporting. If Proposer is required to file a CIQ Form, then the completed CIQ Form must be filed with the County Clerk of Galveston County, Texas.

Business relationship. If Proposer has an employment or other business relationship with a local government officer of Galveston County or with a family member of a local government officer of Galveston County that results in the officer or family member of the officer receiving taxable income that exceeds $2,500.00 during the preceding 12-month period, then Proposer MUST complete a CIQ Form and file the original of the CIQ Form with the County Clerk of Galveston County.

Gift-giving. If Proposer has given a local government officer of Galveston County or a family member of a local government officer of Galveston County one or more gifts with an aggregate value of more than one-hundred dollars ($100.00) during the preceding 12-months, then Proposer MUST complete a CIQ Form and file the original of the CIQ Form with the County Clerk of Galveston County.

For purposes of the business relationship and gift giving reporting requirements, a “family member” means a person related to another person within the first degree by consanguinity or affinity, as described by Subchapter B, Chapter 573, Texas Government Code. Examples of persons within the first degree by consanguinity or affinity include a son, daughter, father, mother, spouse, son-in-law, daughter-in-law, father-in-law, mother-in-law, stepson, stepdaughter, stepmother, and stepfather.

Family relationship. If Proposer has a “family relationship” with a local government officer of Galveston County then Proposer MUST complete a CIQ Form and file the original of the CIQ Form with the County Clerk of Galveston County, regardless of whether Proposer has a business relationship or has given gifts to the local government officer or a family member of the local government officer. For this purpose, “family relationship” means Proposer is related within the third degree by consanguinity or the second degree by affinity, as those terms are defined under Chapter 573 of the Texas Government Code, to a local government officer of Galveston County. Examples of such relationships include a son, daughter, mother, father, brother, sister, grandchild, great-grandchild, grandparent, great-grandparent, niece, nephew, uncle, aunt, spouse, mother-in-law, father-in-law, daughter-in-law, son-in-law, spouse’s grandchild, spouse’s grandparent, grandparent’s spouse, grandchild’s spouse, stepson, stepdaughter, stepmother, and stepfather.

Proposer must file its original CIQ Form with the Galveston County Clerk. The Galveston County Clerk has offices at the following locations:

Chapter 176 specifies deadlines for the filing of CIQ Forms (both initial filings and updated filings).

It is Proposer’s sole responsibility to file a true and complete CIQ Form with the Galveston County Clerk if Proposer is required to file by the requirements of Chapter 176 of the Local Government Code. Proposer is advised that it is an offense to fail to comply with the disclosure reporting requirements dictated under Chapter 176 of the Texas Local Government Code, and the failure to file may be grounds to void the contract, if Proposer is awarded a contract.

If Proposer has any questions about compliance with Chapter 176, Proposer may wish to consult its’ legal counsel. Compliance is the individual responsibility of each person, business, and agent who is subject to Chapter 176 of the Texas Local Government Code.

FORM 1295:
Certificate of Interested Parties (Form 1295):
In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission’s website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

46. DELAYS
The County reserves the right to delay the scheduled commencement date of the contract if it is to the advantage of the County. There shall be no additional costs attributed to these delays should any occur. The Title VI Assurances within this Subsection are not exhaustive – whenever any Federal, State, or Local requirement requires additional clauses, this list shall not be construed as limiting. Contractor agrees as follows:

(1) Compliance with Regulations. The Contractor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, DOT) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are incorporated herein by reference and made a part of this contract.

(3) Solicitations for Subcontractors, Including Procurement of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Contractor of the Contractor’s obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, religion, sex, age, disability or Veteran status.

(4) Information and Reports. The Contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the Galveston County or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Article VII.

Changes in the Work

Section 7.01 The Contractor may be ordered in writing by Galveston County, without invalidating this Agreement, to make changes in the work within the general scope of this Agreement. These changes may consist of additions, deletions, or other revisions, the contract sum and the contract time being adjusted accordingly. The Contractor, prior to the commencement of such changed or revised work, shall submit promptly to Galveston County's authorized Representative written copies of any claim for adjustment to the contract sum and contract time for such revised work in a manner consistent with the contract documents.

Section 7.02 Where changes in the work involve both additions and deletions, percentages for overhead and profit shall be applied to the net increase of such values for labor and materials.

Section 7.03 The amount to be paid by Galveston County for changes in the work, as outlined in paragraph 8.01 above, shall be made on the basis of one of the following methods:

a) by mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation and agreed upon by Galveston County's authorized Representative and the Contractor, or

b) by unit prices stated in the contract documents, or

c) if no such unit prices are set forth and if the parties cannot agree upon a lump sum, then the actual net cost in money to the Contractor of materials and labor (including insurance and applicable taxes) required, plus rental of plant equipment (other than small tools and small equipment) plus compensation for overhead and for profit as noted in Article 12. (Field overhead will not be considered as part of actual net cost), or

d) by the method provided in subparagraph 8.04.
Section 7.04 If none of the above methods set forth in clauses 8.03 (a), 8.03 (b), 8.03 (c) is agreed upon, the Contractor, provided he receives a written order signed by Galveston County shall promptly proceed with the work involved. The cost of such work shall be determined by Galveston County's authorized Representative on the basis of reasonable expenditures and savings of those performing the work attributable to the change, including, in the case of an increase in the contract sum, a reasonable allowance for overhead and profit. In such case, and also under clauses 8.03 (c) and 8.03 (d) above, the Contractor shall keep and present, in such form as Galveston County's authorized Representative may prescribe, an itemized accounting together with appropriate supporting data for inclusion in a change order. Unless otherwise provided in the contract documents, cost shall be limited to the following: cost of materials including cost of delivery, cost of labor including social security, old age and unemployment insurance and fringe benefits required by Agreement or custom; workers or workmen's compensation insurance; bond premiums; rental value of equipment and machinery; and the additional costs of supervision and field office personnel directly attributable to the change. Pending final determination of cost, payments, on account shall be made as determined by Galveston County. The amount of credit to be allowed by the Contractor for any deletion or change which results in a net decrease in the contract sum will be the amount of the actual net cost as confirmed by Galveston County. When both additions and credits covering related work or substitutions are involved in any one change, the allowance for overhead and profit shall be figured on the basis of the net increase, if any, with respect to that change.

Section 7.05 Owner's Audit

a) Owner's duly authorized representative shall have access, at all reasonable times, to all Contractor's personnel, books, records, correspondence, instructions, plans, drawings, receipts, vouchers and memoranda of every description pertaining to any change(s) for the purpose of auditing and verifying Contractor's net cost of change or for any other reasonable purpose. Owner's representative shall have the right to reproduce any of the aforesaid documents. Contractor shall preserve, and shall cause its Contractors to preserve all the aforesaid documents for a period of two years after the completion and acceptance or termination of work.

Galveston County Project 12-003

Article VIII.

Contractor Responsibilities

Section 8.01 The Contractor shall provide sufficient, safe, and proper facilities at all times for the inspection of the work by Galveston County and Galveston County's authorized Representative, or their authorized representatives. The Contractor shall, within a 24-hour notice from Galveston County's authorized Representative, proceed to take down all portions of the work and remove from the grounds or buildings, all materials, whether worked or un-worked, which Galveston County's authorized Representative, Galveston County, or their authorized representatives shall condemn as unsound or improper, or as in any way failing to conform to the contract documents. The Contractor shall make good at its own expense, all work damaged or destroyed thereby.

Section 8.02 The Contractor agrees, in the performance of this Agreement, to comply with all federal, state, municipal, and local laws, ordinances, codes and governing regulations, to pay all costs and expenses required thereby; to pay all fees, charges, assessments, and taxes, and to pay all fringe and other benefits required by Agreement or law.

Section 8.03 The Contractor shall pay all royalties and license fees. He shall defend all suits or claims for infringement of any patent rights and shall save Galveston County, Galveston County's authorized Representative, and Architect or Engineer harmless from loss on account thereof, except that Galveston County shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturers is specified, but if the Contractor has reason to believe that the design, process or product specified is an infringement of a patent, he shall be responsible for such loss unless he promptly gives such information to Galveston County.

Section 8.04 Should the Contractor become insolvent, or at any time, refuse or neglect to supply a sufficiency of properly skilled workers, or equipment and materials of the proper quality, or fail in any respect to prosecute the work with promptness and diligence, or fail in the performance of any of the Agreements herein contained, Galveston County shall be at liberty, after 48 hours written notice to the Contractor, to provide any such labor, equipment, and materials and deduct the cost thereof, from any money then due or thereafter to become due to the Contractor, under this Agreement. In the event of such refusal, neglect, or failure Galveston County shall also be at liberty to terminate the employment of the Contractor. Consequently, Galveston County may enter upon the premises to take possession, for the purpose of completing the work included under this Agreement, of all materials, tools, and appliances thereon, and to employ any other person or persons to finish the work and provide the materials therefore. In case of such discontinuance of the employment, the Contractor shall not be entitled to receive any further payment under this Agreement until the said work shall be wholly finished. If the unpaid balance of the amount to be paid under this Agreement shall exceed the expense incurred by Galveston County in finishing the work, such excess shall be paid by Galveston County to the Contractor. If such expense shall exceed such unpaid balance, the Contractor shall pay the difference to Galveston County. The expense incurred by Galveston County, as herein provided, either for furnishing materials, or finishing the work, and any damage incurred through such default, shall be chargeable to the Contractor.
Galveston County Project 12-003

Section 8.05 Notwithstanding the above paragraph, Galveston County reserves the right to terminate this Agreement for its convenience upon written notice to the Contractor. In such instance the Contractor will be paid its share of the contract amount proportionate to the percentage of its work completed and other reasonable cancellation costs incurred as a result of said termination. No payments shall be made for anticipated overhead and profit. Prior to making any payments under this clause, the Owner shall have the right to audit the records of the Contractor.

Section 8.06 The Contractor agrees to adhere to the federal Occupational Safety & Health Act, state and local safety regulations and Galveston County's authorized Representative's safety and health program so as to avoid injury or damage to persons or property, and to be directly responsible for damage to persons and property resulting from failure to do so.

Section 8.07 In the event the Contractor after a 24-hour written notice from Galveston County, Galveston County's authorized Representative, or duly authorized representative, fails to take corrective action to insure compliance with said safety regulations or removal of rubbish and debris resulting from his work, Galveston County shall undertake these obligations and charge the cost of same to the Contractor's account without further notice to the Contractor.

Section 8.08 The Contractor agrees to notify Galveston County's authorized Representative's representative on the jobsite of all accidents which may occur to persons or property and shall provide Galveston County's authorized Representative's representative with a copy of all accident reports on appropriate forms. All reports shall be signed by the Contractor or his authorized representative and submitted within five (5) days of occurrence.

Section 8.09 The Contractor shall procure its materials from such sources, and employ such labor subject to contract terms and conditions in order to ensure harmonious labor relations on the site and prevent strikes or labor disputes by its employees or other trade employees. The Contractor, in the event of a labor dispute including strikes, shall take whatever action is required in order to prevent the disruption of work on the Project site.

Section 8.10 The Contractor will not assign this Agreement, nor any moneys due or to become due under this Agreement, nor sublet the whole or any part of the work to be performed hereunder, without the written consent of the Owner and Galveston County's authorized Representative. In the event of such a consent, a Sub-Contractor must comply with all the requirements of this Agreement.

Section 8.11 The Contractor agrees that all disputes concerning the jurisdiction of trades shall be adjusted in accordance with any plan for the settlement of jurisdictional disputes which may be in effect either nationally or in the locality in which the work is being done. The Contractor shall be bound by, and shall abide by, all such adjustments and settlements of jurisdictional disputes, whether or not the Contractor is signature bound by the Agreement establishing the impartial jurisdictional disputes board and/or its successors. The Contractor agrees not to cause a work stoppage, due to the jurisdictional assignment of work.

Section 8.12 The Contractor shall submit to Galveston County's authorized Representative upon request, copies of orders placed for the various materials required for the Project or
authentic stock lists if such material is normally a stock item. Order copies need not reflect prices but should indicate type of material, quantity, vendor name, and address, etc. The Contractor shall be required to submit to Galveston County's authorized Representative a monthly material status report, or more often if required by Galveston County's authorized Representative, as a prerequisite for the monthly progress payment. The Contractor shall notify Galveston County's authorized Representative immediately upon learning of a change of status of any material, equipment, or supplies.

Section 8.13 The Contractor shall continuously and adequately protect all his work and will immediately replace all damaged and defective work.

Section 8.14 The Contractor agrees to maintain an adequate force of experienced workers and the necessary materials, supplies, and equipment to meet the requirements of Galveston County's authorized Representative and other trades in order to maintain construction progress schedules, as established by Galveston County's authorized Representative. In the event that his force is, in the judgment of Galveston County's authorized Representative, inadequate to meet the established schedules during the regular working hours, the Contractor agrees to work sufficient overtime hours or increase his work force to meet such schedules at no extra cost to Galveston County. If for reasons not already stated, Galveston County's authorized Representative requires and directs the Contractor to work overtime, including Saturdays, Sundays or Holidays, the Contractor will be reimbursed the net premium rate only. The net premium rate is understood to mean the actual premium labor cost, including applicable taxes and wage additives required by trade Agreement or by law, but without additives for overhead, labor efficiency, or profit.

Section 8.15 The Contractor agrees to employ competent administrative, supervisory, and field personnel to accomplish the work, including layout and engineering and preparation and checking of shop drawings. If required, the Contractor shall substantiate this employment of competent personnel to Galveston County's authorized Representative's satisfaction before initiating any work.

Section 8.16 The Contractor shall insure that all construction tools, equipment, temporary facilities, and other items used in accomplishing the work, whether purchased, rented, or otherwise provided by the Contractor or provided by others, are in a safe, sound, and good condition, must be capable of performing the functions for which they are intended and must be maintained in conformance with applicable laws and regulations.

Section 8.17 If the Contractor is delayed at any time in the progress of the work by any act or neglect of the Owner, Galveston County's authorized Representative, or the Architect or Engineer, or by any employee of either, or by any separate contractor employed by the Owner, or by changes ordered in the work, or by labor disputes, fire, unusual delay in transportation, adverse weather conditions not reasonably anticipatable, unavoidable casualties or any causes beyond the Contractor's control, or by delay authorized by the Owner or Galveston County's authorized Representative, or by any other cause which Galveston County's authorized Representative determines may justify the delay, then the contract time shall be extended by amendment for such reasonable time as Galveston County's authorized Representative and Owner may determine.
Galveston County Project 12-003

Section 8.18 Right-To-Know each Contractor is required to implement the provisions of the right-to-know law, if any, as enacted by the state in which the work is being performed. Before using on site any material listed in the right-to-know substance list, each Contractor will furnish Galveston County's authorized Representative a copy of the material safety data sheet for that substance.

Section 8.19 In the event the Contractor employs independent contractors, as well as payroll labor, to discharge its obligations hereunder, the Contractor acknowledges and understands that it does so at its own risk and that federal, state and/or local agencies may dispute the independent contractor status and assess penalties, fines, and costs should there be a determination to reclassify such workers. In that event, the Contractor agrees that it will defend, indemnify and hold Galveston County harmless from any fines, costs, damages, penalties, attorneys fees, and causes of action, including without limitation, personal injury or property damage, arising out of or relating in any way to such a determination.

Article IX.

## Part I  Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

**Note.** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

## Part II  Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. ## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

### Definition of a U.S. person

For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
The U.S. grantor or other owner of a grantor trust and not the trust, and 

The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9, instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident individual may use the terms of a tax treaty to reduce U.S. tax on certain types of income. However, most tax treaties contain a provision known as the "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends. Note: If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:
1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2).
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of its political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:
6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian,
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS Individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited liability company (LLC) on page 2), enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

Note: See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an EIN. You can also apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by calling 1-800-TAX-FORM (1-800-829-3676).

You are asked to complete Form W-9 but do not have a TIN, write "Applies For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applies For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity (or has a foreign owner) must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-8. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see Exempt Payee on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.
1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.
2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

See Form 1099-MISC, Miscellaneous Income, and its instructions.
However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.
3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification. 

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requestor's trade or business for rent, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage Interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.
