1. QUALIFICATION PACKAGE:
The request for Qualification, general and special provisions, drawings, specifications/line item details, contract documents and the Qualification sheet are all part of the Qualification package. Qualifications must be submitted in sets of eight (8), one (1) original and seven (7) copies on the forms provided by the County, including the Qualification sheets completed in their entirety and signed by an authorized representative by original signature. Failure to complete and sign the Qualification sheets/contract page(s) may disqualify the Qualification from being considered by the Commissioners’ Court. Any individual signing on behalf of the Qualifier expressly affirms that he or she is duly authorized to tender this Qualification and to sign the Qualification sheet/contract under the terms and conditions in this Qualification. Qualifier further understands that the signing of the contract shall be of no effect unless subsequently awarded and the contract properly executed by the Commissioners’ Court. All figures must be written in ink or typed. Figures written in pencil or with erasures are not acceptable. However, mistakes may be crossed out, corrections inserted, and initialed in ink by the individual signing the Qualification. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Each Qualifier is required to thoroughly review this entire Qualification packet to familiarize themselves with the Qualification procedures, the plans and specifications for the requested work as well as the terms, and conditions of the contract the successful Qualifier will execute with the County.

2. QUALIFIER’S RESPONSIBILITY
The Qualifier must affirmatively demonstrate its responsibility. The Qualifier must also meet the following minimum requirements:

A. have adequate financial resources or the ability to obtain such resources as required;
B. be able to comply with all federal, state, and local laws, rules, regulations, ordinances and orders regarding this Request for Qualification;
C. have a satisfactory record of performance;
D. have a satisfactory record of integrity and ethics;
E. and be otherwise qualified and eligible to receive an award.

3. TIME FOR RECEIVING QUALIFICATIONS:
Qualifications may be submitted by mail or hand delivery and must be submitted to the Galveston County Purchasing Agent. If by delivery, the qualifier must deliver to the reception desk in the county Purchasing Agent’s Office. The delivery and mailing instructions for the Galveston County Purchasing Agent are the following:

Rufus Crowder, CPPO CPPB
Galveston County Purchasing Agent
722 Moody, Fifth (5th) Floor
Galveston, Texas  77550

Qualifications will not be accepted by facsimile transmission or by electronic mail (email) unless superseded by instructions within the Special Provisions of this solicitation. Qualifications must be received by the County Purchasing Agent on or before the deadline for the opening of the qualifications. For clarity, mailing date/postmark is not sufficient – proposals must be received by the County Purchasing Agent on or before the deadline. Late proposals will not be accepted and will be returned to the qualifier unopened until the specified time for opening.

The County Purchasing Agent will accept proposals from 8:00 a.m. to 5:00 p.m. on each business day up to the submission deadline. Business days do not include Saturdays and Sundays, and do not include other days in which the County is closed for business in observance of holidays or for other reasons.

The time-stamp clock within the County Purchasing Agent’s Office shall be the official time-clock for the purposes of this solicitation and thus shall be the determinant of whether the qualification was timely received.
GENERAL PROVISIONS
DELINQUENT PROPERTY TAX COLLECTION SERVICES
GALVESTON COUNTY, TEXAS

The Qualifier should prominently identify the procurement number and name on the outside of the envelope/mailing package. A label shall be provided for this purpose and usage of the label is preferred. If the Qualifier fails to identify the Qualification on the outside of the envelope as required, the Purchasing Agent will open the envelope for the sole purpose of identifying the qualification number for which the submission was made. The envelope will then be resealed. No liability will attach to a County office or employee for the premature opening of a qualification.

If you do not submit a proposal, return the Request for Qualification and state reason, otherwise your name may be removed from the Purchasing Agent’s mailing list.

4. COMPETITIVENESS, INTEGRITY, INQUIRIES AND QUESTIONS
To prevent biased evaluations and to preserve the competitiveness and integrity of the procurement, qualifiers are to direct all communications regarding this request for qualification to the Galveston County Purchasing Agent, unless otherwise specifically noted.

Do not contact the requesting department. Attempts by offering firms to circumvent this requirement will be viewed negatively and may result in rejection of the bid/proposal of the firm found to be in non-compliance.

All questions regarding this Request for Qualification must be submitted in writing to:

Rufus Crowder, CPPO CPPB, Purchasing Agent
722 Moody
Fifth (5th) Floor
Galveston, Texas 77550
Fax: (409) 621-7997
E-mail: rufus.crowder@co.galveston.tx.us

All questions received and the responses thereto will be mailed, emailed, or faxed to all prospective qualifiers. No inquiries except clarification of instructions will be addressed by telephone. Qualifier is advised to carefully review this Request for Qualification- it provides specific information necessary to aid participating firms in formulating a thorough response. Qualifier’s failure to examine all documents shall not entitle the qualifier to any relief from the conditions imposed in the Request for Qualification and the resultant contract.

An authorized person from the qualifier must sign the qualification. This signatory must be a person from the submitting firm who is duly authorized to tender and sign the qualification on behalf of the qualifier and to bind the qualifier to the terms and conditions of this request for qualification, the response, and all other terms and conditions of the contract. By this signature, the qualifier further acknowledges that the qualifier has read the qualification documents thoroughly before submitting a qualification and will fulfill the obligations in accordance to the terms, conditions, and specifications herein.

5. QUALIFICATION OPENING:
Only the names of Qualifiers will be read at the opening. The Purchasing Agent will examine Qualifications promptly and thoroughly. No Qualification may be withdrawn for a period of sixty (60) calendar days of the Qualification opening date.
GENERAL PROVISIONS
DELINQUENT PROPERTY TAX COLLECTION SERVICES
GALVESTON COUNTY, TEXAS

6. COMMISSIONERS’ COURT:
   No contract is binding on the County until it is properly placed on the Commissioners’ Court agenda, approved in open Court, authorized to be executed by the County Judge, and fully executed by both parties.

Department heads and elected officials are not authorized to enter into any type of agreement or contract on behalf of the County. Only the Commissioners’ Court acting as a body may enter into a contract on behalf of and contractually bind the County. Additionally, department heads and elected officials are not authorized to agree to any type of supplemental agreements or contracts for goods or services. Supplemental agreements are subject to review by the County Legal Department prior to being accepted and signed by the County’s authorized representative.

7. REJECTION OF QUALIFICATIONS/DISQUALIFICATION:
   Galveston County, acting through its Commissioners’ Court, reserves the right to: 1.) reject any and all Qualifications in whole or in part received by reason of this request for Qualification, 2.) to waive any informality in the Qualifications received, 3.) to disregard the Qualification of any Qualifier determined to be not responsible, and/or 4.) discontinue its efforts for any reason under this qualification package at any time prior to actual execution of contract by the County.

Qualifiers may be disqualified and rejection of qualification may be recommended to the Commissioners’ Court for any of (but not limited to) the following causes:

a. Failure to use the Qualification form(s) furnished by the County; if applicable,
b. Lack of signature by an authorized representative of qualifier,
c. Failure to properly complete the qualification,
d. Failure to meet the mandatory requirements of this request for qualification; and/or
e. Evidence of collusion among qualifiers.

8. RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS:
   It is the responsibility of the prospective Qualifier to review the entire invitation to Qualification packet and to notify the Purchasing Department if the specifications are formulated in a manner that would restrict competition or appear ambiguous. Any protest or question(s) regarding the specifications or Qualification procedures must be received in the Purchasing Department not less than seventy-two (72) hours prior to the time set for Qualification opening. Vendors are to submit Qualification as specified herein or propose an approved equal.

9. SUBSTITUTE DESCRIPTIONS/MATERIALS AND EQUIPMENT:
   Any brand name or manufacturer reference used herein is intended to be descriptive and not restrictive, unless otherwise noted, and is used to indicate the type and quality of material. The term “or equal” if used, identifies commercially produced items that have the essential performance and salient characteristics of the brand name stated in the item description. All supplies, material, or equipment shall be new and of the most suitable grade for the purpose intended. It is not the County’s intent to discriminate against any materials or equipment of equal merit to those specified. However, if Qualifier desires to use any substitutions, prior written approval must be obtained from the County Purchasing Agent and sufficiently in advance such that an addendum may be issued. All material supplied must be one hundred percent (100%) asbestos free. Bidder/Qualifier, by submission of its bid/Qualification, certifies that if awarded any portion of this procurement, the bidder/Qualifier will supply only material and equipment that is 100% asbestos free.

10. EXCEPTIONS TO QUALIFICATION:
   The Qualifier will list on a separate sheet of paper any exceptions to the conditions of the Qualification. This sheet will be labeled, “Exceptions to Qualification Conditions”, and will be attached to the Qualification. If no exceptions are stated, it will be understood that all general and specific conditions will be complied with, without exception.

   The Qualifier must specify in its Qualification any alternatives it wishes to propose for consideration by the County.
GENERAL PROVISIONS
DELINQUENT PROPERTY TAX COLLECTION SERVICES
GALVESTON COUNTY, TEXAS

Each alternative should be sufficiently described and labeled within the Qualification and should indicate its possible or actual advantage to the program being offered.

The County reserves the right to offer these alternatives to other Qualifiers.

11. PRICING:
This solicitation is for a professional services contract and shall be awarded on the basis of demonstrated competence and qualifications. Any customary fees regarding the resultant contract will be negotiated for a fair and reasonable price and my not exceed any maximum provided by law.

12. PROCUREMENT CARD PROGRAM:
The County of Galveston participates in a Procurement Card (P-Card) program that allows payments made to a vendor by credit card. This method normally results in substantially faster bill payments, sometimes within three (3) to five (5) days of the actual transaction date. If your company will accept payment via credit card (Visa, MasterCard), please note this in your Qualification submittal.

13. PASS THROUGH COST ADJUSTMENTS:
Except in instances of extreme extenuating circumstances Contractor prices shall remain firm throughout the Contract period and any renewals. Examples of extreme extenuating circumstances include such situations as a nationwide rail strike, oil shortage or oil embargo.

In extreme extenuating circumstances, Contractors may be allowed to temporarily “pass through” additional costs they are forced to incur through no fault of their own. A request for a pass through cost increase will not be considered unless a Contractor’s cost for his product exceeds 10% over the original cost for the product. Also, the increase in cost must be nationwide and consistent for a minimum period of sixty (60) days. Costs that historically are anticipated to rise over a period of time (for example only, such as wages or insurance costs) do not qualify for pass through. If a Contractor thinks he will be asking for a pass through cost adjustment during the term of the contract, then the original cost of the product to Contractor must be stated in Contractor’s original Qualification.

A request for a pass through cost does not guarantee that one will be granted. Contractors must submit such information on each request as is required by the County Purchasing Agent. The County Purchasing Agent will review each request on a case-by-case basis and determine the appropriateness of each request as well as amount and duration of increase. Contractors will not be permitted any additional compensation for mark-ups or profits based on the increase in price. Rather, such additional compensation will be limited to the actual increase in original cost to the Contractor as such increase is reflected by the original cost stated in the Qualification. But in no event will the amount of additional compensation exceed 25% increase in Contractor’s original cost for his product as such cost is reflected in Contractor’s original Qualification or the duration exceed a period of sixty (60) days. In addition, should, during the period of the pass through, cost return to normal or decrease to below pre pass through prices, appropriate downward adjustments will be made. No more than one pass through adjustment will be permitted per year.

14. MODIFICATION OF QUALIFICATIONS:
A Qualifier may modify a Qualification by letter at any time prior to the submission deadline for receipt of Qualifications. Modification requests must be received prior to the submission deadline. Modifications made before opening time must be initialed by Qualifier guaranteeing authenticity. Qualifications may not be amended or altered after the official opening with the single exception that any product literature and/or supporting data required by the actual specifications, if any, will be accepted at any time prior to the Commissioners’ Court considering same.

15. SIGNATURE OF QUALIFICATIONS:
Each Qualification shall give the complete mailing address of the Qualifier and be signed by an authorized representative by original signature with the authorized representative’s name and legal title typed below the signature line. Each Qualification shall include the Qualifier’s Federal Employer Identification Number (FEIN). Failure to sign
the Contract page(s) and Qualification response sheets may disqualify the Qualification from being considered by the County. The person signing on behalf of the Qualifier expressly affirms that the person is duly authorized to tender the Qualification and to sign the Qualification sheets and contract under the terms and conditions of this RFQ and to bind the Qualifier thereto and further understands that the signing of the contract shall be of no effect until it is properly placed on the Commissioners’ Court agenda, approved in open Court, authorized to be executed by the County Judge, and fully executed by both parties.

16. AWARD OF QUALIFICATIONS – EVALUATION CRITERIA AND FACTORS:
The award will be made to the responsible Qualifier whose Qualification is determined to be the best evaluated offer demonstrating the best ability to fulfill the requirements set forth in this Request for Qualification.

Each Qualifier, by submitting a Qualification, agrees that if their Qualification is accepted by the Commissioners’ Court, such Qualifier will furnish all items and services upon which prices have been tendered and upon the terms and conditions in this Qualification and contract.

The contractor shall commence work only after the transmittal of a fully executed contract and after receiving written notification to proceed from the County Purchasing Agent. The contractor will perform all services indicated in the Qualification in compliance with this contract.

Neither department heads nor elected officials are authorized to sign any binding contracts or agreements prior to being properly placed on the Commissioners’ Court agenda and approved in open court. Department heads and other elected officials are not authorized to enter into any type of agreement or contract on behalf of Galveston County. Only the Commissioners’ Court, acting as a body, may enter into a contract on behalf of the County. Additionally, department heads and other elected officials are not authorized to agree to any type of supplemental agreements or contracts for goods or services. Supplemental agreements are subject to review by the County Legal Department prior to being signed by the County’s authorized representatives.

The County of Galveston reserves the right to accept Qualifications on individual items listed, or group items, or on the Qualification as a whole; to reject any and all Qualifications; to waive any informality in the Qualifications; and to accept the Qualification that appears to be in the best interest of the County. The selection process may, however, include a request for additional information or an oral presentation to support the written Qualification.

In determining and evaluating the best Qualification, factors will include the basis of demonstrated competence and qualifications to perform this service. The Commissioners’ Court shall be the sole judge in the determination of these matters.

The County reserves the right to reject any or all Qualifications in whole or in part received by reason of this RFQ and may discontinue its efforts under this RFQ for any reason or no reason or solely for the County’s convenience at any time prior to actual execution of the contract by the County.

A Qualifier whose Qualification does not meet the mandatory requirements set forth in this RFQ will be considered non-compliant.

The invitation to submit a Qualification which appears in the newspaper, or other authorized advertising mediums, these general provisions, the specifications which follow, the Qualification sheets, and any addenda issued are all considered part of the Qualification.

Each Qualifier, by submitting a Qualification, agrees that if its Qualification is accepted by the Commissioners’ Court, such Qualifier will furnish all items and services upon the terms and conditions in this RFP and the resultant contract.

17. DISPUTE AFTER AWARD/PROTEST:
Any actual or prospectsive Qualifier who is allegedly aggrieved in connection with the solicitation of this RFQ or award of a contract resulting therefrom may protest. The protest will be submitted in writing to the Purchasing Agent within seven (7) calendar days after such aggrieved person knows of or should have known of the facts giving rise thereto. If the protest is not resolved by mutual agreement, the Purchasing Agent will promptly issue a decision in writing to the protestant. If the protestant wishes to appeal the decision rendered by the Purchasing Agent, such appeal must be made to the Commissioners’ Court through the Purchasing Agent. The decision of the Commissioners’ Court will be final. The Commissioners’ Court need not consider protests unless this procedure is followed.

18. PUBLIC INFORMATION ACT (Open Records Act):
The qualifier acknowledges that the County is a governmental body for purposes of the Public Information Act, codified as Chapter 552 of the Texas Government Code and as such is required to release information in accordance with the Public Information Act.

In the event that County receives a request for information under the Public Information Act seeking information that the Qualifier has marked as confidential, proprietary, and/or trade secret, then the County agrees that it shall provide notice to the Qualifier of the request in accordance with the provisions of the Public Information Act. These provisions require the County to initiate the request for decision process under the Public Information Act – thus, the County will submit initial correspondence to the Texas Attorney General. Qualifier is deemed to have knowledge of the Public Information Act. By the submission of its qualification, qualifier expressly acknowledges that the burden to withhold its' information from public disclosure lays with the qualifier, thus qualifier further acknowledges and agrees that it shall submit comments to the Texas Attorney General in the request for decision process if qualifier wishes to have its information without from public disclosure.

19. QUALIFIER’S EMAIL ADDRESSES:
Notwithstanding the foregoing Section 17, Qualifier acknowledges and agrees that the confidentiality of any and all email addresses it uses or discloses in communicating with the County are open to the public in accordance with Section 552.137 of the Government Code and consents to the release of its email addresses.

20. RESULTANT CONTRACT:
Qualifier shall correctly and fully execute the resultant contract first. After this, the contract shall be set for consideration by the Commissioners’ Court. If the Commissioners’ Court authorizes the execution of the contract,
then the resultant contract shall become effective upon the Commissioners’ Court execution of same. Contract documents shall consist of the contract, the general and special provisions, the drawings, Qualification package (including best and final offer(s) if such is utilized), any addenda issued, and any change orders issued during the work. If applicable to the attached qualification, qualifier must sign three (3) original contracts and return with their qualification submittal.

Qualifier should submit a proposed contract with its Qualification or its sample material terms and conditions.

The criteria utilized for determining responsibility of Qualifier(s) includes, but is not limited to, the Qualifier’s experience, skill, ability, business judgment, financial capacity, integrity, honesty, possession of the necessary facilities or equipment, previous performance, reputation, promptness, and any other factor deemed relevant by the County. The Qualifiers shall furnish any information requested by the County in order for the County to determine whether a Qualifier is responsible.

22. TERMINATION FOR DEFAULT:

All notices relating to default by Qualifier of the provisions of the contract shall be issued by County by its Legal Department, and all replies shall be made in writing to the County Legal Department. Notices issued by or issued to anyone other than the County Legal Department shall be null and void and shall be considered as not having been issued or received.

At a minimum, Qualifier shall be required to pay any difference in service or materials, should it become necessary to contract with another source, plus reasonable administrative costs and attorney fees.

In the event of Termination for Default, Galveston County, its agents or representatives shall not be liable for loss of any profits anticipated to be made by Qualifier.

In addition to the remedies stated herein, the County has the right to pursue other remedies permitted by law or in equity.

If the contractor receives an award as a result of its Qualification submission, failure to have made such investigations and examinations will in no way relieve the contractor from its obligation to comply in every detail with all provisions and requirements of the contract, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the contractor for additional compensation and/or for excused nonperformance.

FORM 1295:
Certificate of Interested Parties (Form 1295):
In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission’s website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

Public employees must discharge their duties impartially so as to assure fair competitive access to governmental procurement by responsible contractors. Moreover, they should conduct themselves in such a manner as to foster public confidence in the integrity of the Galveston County procurement organization.

To achieve the purpose of this Article, it is essential that those doing business with Galveston County also observe the ethical standards prescribed here.”

**Part I  Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For Individuals, this is your Social Security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your Employer Identification number (EIN). If you do not have a number, see How to get a TIN on page 3. Note: If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

**Part II  Certification**

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners’ share of effectively connected income.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester’s form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners’ share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
• The U.S. grantor or other owner of a grantor trust and not the trust, and
• The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may allow an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country, Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (signed April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN.

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate instructions for the Requester of Form W-9.

Also see Special rules for partnerships on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are resident alien and you do not have a TIN and are not eligible to get an SSN, your TIN is your IRS Individual Taxpayer Identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited liability company (LLC) on page 2), enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see Exempt Payee on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. Real estate transactions. You must sign the certification.
You may cross out Item 2 of the certification.

4. Other payments. You must give your correct TIN, but you
do not have to sign the certification unless you have been
notified that you have previously given an incorrect TIN. "Other
payments" include payments made in the course of the
requester's trade or business for rents, royalties, goods (other
than bills for merchandise), medical and health care services
(including payments to corporations), payments to a
nonemployee for services, payments to certain fishing boat
crew members and fishermen, and gross proceeds paid to attorneys
(including payments to corporations).

5. Mortgage interest paid by you, acquisition or
abandonment of secured property, cancellation of debt,
qualified tuition program payments (under section 529), IRA,
Coverdell ESA, Archer MSA or HSA contributions or
contributions, and pension distributions. You must give your
correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft
Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:
- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of Identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4777 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for Identity theft.

The IRS does not initiate contacts with taxpayers via email. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts. If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@ fec.gov or contact them at www.consumer.gov/idtheft or 1-977-393-4338.

Visit the IRS website at www.irs.gov to learn more about Identity theft and how to reduce your risk.

Privacy Act Notice
Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or any other transaction or event as required by law. You may provide your TIN whether or not you are required to file a tax return. Payees must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
