PRESS RELEASE

TABC Services Change

The Texas Alcoholic Beverage Commission has taken final steps to implement Senate Bill 1035 which passed in the 83rd Legislative Session. This legislation moves responsibility for the collection of TABC beer permitting fees to the State effective February 1, 2014.

The State has requested that payment for these fees be made in the form of cashier's check, money order or business/company check (personal checks will not be accepted) and that renewal fees be mailed to TABC, PO Box 13127, Austin, Texas 78711-3127. The \$2.00 filing fee previously assessed is no longer required. Questions should be directed to TABC Licensing & Permits at 1-512-206-3333. Additional information may be found at www.tabc.state.tx.us.

The Galveston County Tax Office will continue to provide local services to cities under contract for collection of these fees. All cities will soon receive a summary of TABC, coin operated machine and scofflaw services available to them by the Tax Office.
