Do You Want to Vote in November?

With less than 40 days to go before what is predicted to be the most important election in recent history, new or current voters will not want to miss the October 11th deadline to either update their records or register to vote.

Verify voter registration status at the Texas Secretary of State website (www.votetexas.gov) by clicking on Frequently Asked Questions and the Am I Registered link. Enter proper information and your voter record will appear along with a listing of upcoming elections you are qualified to vote in. If you moved within the County, you may update address information online or download a form from that or the GCTO website (www.galcotax.com). Paper forms are available at all GCTO branch and satellite offices and may be mailed (postage paid) or dropped in a yellow drop box located at each Tax Office branch.

If you prefer, call the Voter Registration Department at 1-888-976-2280 and we will confirm voter status or mail an application to you. Prefer email? Send questions or requests to galcotax@co.galveston.tx.us.

If you registered at the Department of Public Safety (DPS) office (or updated information) when renewing your driver's license but did not receive the voter certificate, call the Voter Registration Department. Please note online registration is not available in Texas through DPS or the SOS websites.
