

BENEFIT to support HENRY GARZA

01/16/2016

VFW Post 8248

901 Main, La Marque

10 am

Henry Garza Jr. Is a Vietnam Veteran that has proudly served his Country. Henry served as a Marine during Vietnam War. While there he had to survive by eating bugs and leaves that were sprayed with a chemical know as Agent Orange. Thru that exposure he is diagnosed in 2008 with Agent Orange Cancer . The cancer first took his voice. The cancer has returned in his jaw. , He already has had 5 surgeries and it is still growing. Due to these surgeries it has left him without a voice and with removal of tissue from both legs. It is becoming more difficult for him to walk. The Garza's are in need of our financial help and support for the continuous treatments and extensive medical bills. Even with Insurance Cancer is not Cheap to fight. Please help Henry with his battle.
