

MICHAEL C. SHANNON, PE, CFM
COUNTY ENGINEER

NICOLE STELLY
FLOODPLAIN & PERMITTING MANAGER

THE COUNTY OF GALVESTON
Office of the County Engineer
722 Moody, Galveston, TX 77550
(409) 770-5552

To Whom It May Concern:

There is no zoning or Certificate of Occupancy in the unincorporated areas of Galveston County. The county issues a Completion Certificate, which is signed and filed after a final inspection has been completed.

The county does not require demolition permits; permits are required when building, placing, repairing, or altering structures on the property. Permits are also needed for dirt work.

Fire code inspections are not performed by the county as the county does not have a fire marshal.

The county does not perform gas line inspections, nor do we administer the release of gas to utility providers.

Sincerely,

A handwritten signature in black ink, appearing to read "N. Stelly".
